10 IN THE UNITED STATES DISTRICT COURT FOR THE
11 NORTHERN DISTRICT OF CALIFORNIA
12
13

14 AF HOLDINGS LLC,)
15 Plaintiff,)
16 v.)
17 JOHN DOE,)
18 Defendant.)
19 _____)

20 **No. 4:12-cv-02411-PJH**

21 **PLAINTIFF'S CASE MANAGEMENT
22 CONFERENCE STATEMENT**

23 **PLAINTIFF'S CASE MANAGEMENT CONFERENCE STATEMENT**

24 Plaintiff AF Holdings LLC, by and through its counsel of record, hereby submit this Case
25 Management Conference Statement pursuant to the Clerk's Notice (ECF No. 8), and Northern
26 District of California Civil Local Rule (hereinafter "L.R.") 16-9(a).¹

27 **1. Jurisdiction and Service:**

28 Per L.R. 3-5, and as alleged in Plaintiff's Complaint (ECF No. 1 ¶ 5), this Court has federal
29 subject matter jurisdiction over the copyright infringement claim under 17 U.S.C. §§ 101, *et seq.*,
30 (commonly referred to as "the Copyright Act"), 28 U.S.C. § 1331 (granting federal courts federal
31 question jurisdiction over civil actions arising under the laws of the United States), and 28 U.S.C.
32 § 1338(a) (granting federal courts original jurisdiction over any Congressional acts relating to
33 copyrights). This Court has supplemental jurisdiction over the civil conspiracy claim under 28
34 U.S.C. § 1337(a) because it is directly related to Plaintiff's copyright infringement claim, which is
35 within this Court's original jurisdiction, such that the two claims form part of the same case and

36
37
38 ¹ Per L.R. 16-9, a joint statement could not be attained because Plaintiff is the only party in this case at this time. See
39 Exhibit A Declaration of Brett L. Gibbs.

1 controversy under Article III of the United States Constitution. As John Doe has not been identified
 2 or served, he or she has not made any counterclaims in this matter.

3 This Court has personal jurisdiction over all of the parties because, upon credible information
 4 and belief gathered by Plaintiff, John Doe is in the State of California. Plaintiff used geolocation
 5 technology to trace the IP address used by John Doe to a point of origin within the State of
 6 California. Thus, there are no actual or potential personal jurisdiction issues in this case.

7 On May 30, 2021, Plaintiff filed its *Ex Parte* Application for Leave to Take Expedited
 8 Discovery. (ECF No. 5.) On June 1, 2012, Honorable Phyllis J. Hamilton granted Plaintiff's *Ex*
 9 *Parte* Application for Leave to Take Expedited Discovery. (ECF No. 6.) John Doe is an individual
 10 associated with the Internet Protocol ("IP") address 67.169.35.65, which was issued by the Internet
 11 Provider ("ISP") Comcast Cable Communications LLC ("Comcast"). Plaintiff served the subpoena
 12 to John Doe's ISP, Comcast, on June 4, 2012. Plaintiff has only recently received the requested
 13 subpoena response from Comcast. Plaintiff has attempted to contact and communicate with the
 14 subscriber of the IP address to ascertain the infringer to this case. Currently, those attempts have
 15 failed. In light of this, and considering when Plaintiff received the information from Comcast,
 16 Plaintiff respectfully requests more time to get in touch with the subscriber and discuss the case
 17 before it can identify, and possibly serve, the infringer in this case.

18 **2. Facts:**

19 Plaintiff is an organization that holds the copyrights to certain adult entertainment content.
 20 John Doe is an anonymous alleged copyright infringer.

21 Plaintiff believes that certain facts in this case, including the following, are undisputed at this
 22 time. John Doe, without authorization, used an online Peer-to-Peer media distribution system
 23 (specifically, the BitTorrent protocol) to download Plaintiff's copyrighted works and distribute
 24 Plaintiff's copyrighted works to the public, including making Plaintiff's copyrighted works available
 25 for distribution to others. (ECF No. 1 ¶¶ 18-24.) John Doe operated under the cover of a network
 26 address when he joined a common swarm composed of fellow infringers, who downloaded the same
 27 exact file and unlawfully distributed Plaintiff's copyrighted works amongst one another. (ECF No. 1

¶¶ 14, 32-37.) Due to the quasi-anonymous fashion in which John Doe conducted himself online, Plaintiff was unaware of his actual identifying information—including his/her name, address, telephone, and Media Access Control (“MAC”) information—at the time of filing its initial Complaint. (See ECF No. 1.)

Through unique proprietary software, Plaintiff’s agents identified John Doe by a unique IP address, assigned to him by his ISP on the date and at the time of his infringing activity. (ECF No. 5-2 ¶¶ 16, 27.) While these were not the only times of John Doe’s infringing activities, this was a snapshot of such activities personally observed by Plaintiff’s investigators. (ECF No. 1 ¶ 18-24; ECF No. 5-1 ¶ 27.) Plaintiff, by and through its investigators, also made a copy of substantial portions of the copyrighted work that John Doe unlawfully distributed or made available for distribution through the file sharing networks, and confirmed that such files contained the work that was subject to Plaintiff’s copyright. (ECF No. 5-1 ¶ 25.) A technician collected this data through systems and procedures specifically designed to ensure that the information gathered on John Doe was accurate. (ECF No. 5-1 ¶ 16.) Through Plaintiff’s agents’ work, it is overwhelmingly clear that an unidentified individual using the IP address 67.169.35.65 unlawfully downloaded Plaintiff’s copyrighted works on the Internet via BitTorrent. (See ECF No. 1; ECF No. 5-1.)

Plaintiff has only recently received the requested discovery from Comcast. Plaintiff has attempted to contact and communicate with the subscriber of the IP address to ascertain the infringer to this case. Currently, Plaintiff, by and through its counsel, has made contract via telephone and letters, but have not been successful in establishing a dialogue with the subscriber in any substantive manner. In light of this, there is nothing to report to the Court, and Plaintiff respectfully requests more time to get in touch with the subscriber and discuss the case before it can identify, and possibly serve, the infringer in this case.

3. Legal Issues:

Plaintiff believes that it states a *prima facie* case for copyright infringement.

///

///

1 4. Motions:

2 On May 30, 2012, Plaintiff filed an *Ex Parte* Application for Leave to Take Expedited
 3 Discovery. (ECF No. 5.) On June 1, 2012, the Court granted that Application. (ECF No. 6.)

4 5. Amendment of Pleadings:

5 None.

6. Evidence Preservation:

7 Plaintiff's agents at 6881 Forensics LLC ("6881") engaged in real time monitoring of John
 8 Doe's infringing activity using its proprietary software. (ECF No. 5-1 ¶ 16, 27.) 6881's proprietary
 9 software is effective in capturing granular-level data about the activity of peers in a swarm and their
 10 infringing conduct. (ECF No. 5-1 ¶ 16.) 6881's processes are designed to ensure that information
 11 gathered about John Doe is accurate. (*Id.*) Once gathered and it is determined that the information is
 12 relevant to an upcoming case, this information is stored by 6881 for trial. (ECF No. 5-1 ¶ 26.)

13 7. Disclosures:

14 Plaintiff is in the process of formulating and filing initial disclosures.

15 8. Discovery:

16 Plaintiff only recently received the requested discovery from Comcast, and Plaintiff is
 17 currently in the process of contacting and serving the Defendant.

18 9. Class Actions:

19 Not applicable.

20 10. Related Cases:

21 Not applicable.

22 11. Relief:

23 Plaintiff prays for the following relief in this case, as fully outlined in its Complaint: (1) That
 24 the Court enter a written judgment declaring that John Doe infringed Plaintiff's rights in federally
 25 registered copyrights under 17 U.S.C. § 501, and that such infringement was willful; (2) That the
 26 Court enter a written judgment declaring that John Doe has injured the business reputation and
 27 business of Plaintiff by John Doe's acts and conduct set forth in this Complaint; (3) That the Court

1 issue injunctive relief against John Doe, enjoining and restraining John Doe and all others in active
 2 concert with him from further violating Plaintiff's copyrighted works, and further issue an order
 3 impounding or requiring John Doe to destroy all copies of those unlawfully copyrighted files in his
 4 possession, custody, and/or control pursuant to 17 U.S.C. §§ 503 & 509(a); and (4) That the Court
 5 enter a written judgment in favor of the Plaintiff against John Doe for actual damages pursuant to 17
 6 U.S.C. § 504(a) or statutory damages pursuant to 17 U.S.C. § 504(b), at the election of Plaintiff, in
 7 an amount to be ascertained at trial.

8 **12. Settlement and ADR:**

9 Currently, there is no ADR phone conference set in this case. A conference seems
 10 inappropriate considering that Plaintiff is only party at this time.

11 **13. Consent to Magistrate Judge For All Purposes:**

12 Not applicable.

13 **14. Other References:**

14 None that the parties can identify at this time.

15 **15. Narrowing of Issues:**

16 Plaintiff would be more than happy to narrow the issues in this case. Plaintiff believes that
 17 this could expedite this case, and lead to a fair and economic result.

18 **16. Expedited Schedule:**

19 Plaintiff has no objection to this case being handled in an expedited manner.

20 **17. Scheduling:**

21 Without John Doe being involved in this process, any schedule would be impossible to map
 22 out at this point.

23 **18. Trial:**

24 Again, at this point, without John Doe being involved in this process, it would be hard for
 25 Plaintiff to guess as to how long a trial of this case will take. Should the Court require that guess,
 26 Plaintiff is willing to estimate two full days.

19. Disclosure of Non-Party Interested Entities or Persons:

Plaintiff has filed its Corporate Party Disclosure Statement and Certification of Interested Entities or Persons. (ECF No. 3.)

Plaintiff believes there are no known persons, associations of persons, firms, partnerships, corporations (including parent corporations) or other entities (other than the parties themselves) that may have a personal or affiliated financial interest in this subject matter in controversy, or any other kind of interest that could be substantially affected by the outcome of the proceedings other than the parties. (See ECF No. 3.)

20. Other Matters:

Plaintiff believes that a status conference is unnecessary as there is nothing substantive to report on at this time outside of the matters discussed herein. Should the Court require one, Plaintiff would request that the Court allow its attorney, who lives in Marin County, to participate via telephone conference. Plaintiff also respectfully request a continuance of the Status Conference currently scheduled for August 30, 2012.

Respectfully Submitted,

PRENDA LAW INC.

DATED: August 24, 2012
